Subject: Request to extend the last date of assignment

Respected Professor

I am writing to respectfully request an extension on the upcoming Assignment 5 , currently due on 31 March 2026

Due to an unexpected illness that is fever and cold, I have fallen behind my planned schedule for this coursework. I take my academic responsibilities seriously and want to ensure that the work I submit reflects the quality expected in your course.

If possible, I would like to request an extension until 2 April 2026. I am confident that this additional time will allow me to complete the assignment thoroughly.

I have attached my progress thus far to demonstrate my commitment to the task. Please let me know if this request is acceptable or if there is any further information you require.

Thank you for your time and for considering my request.

Best regards,

Amit Singh
